

- ① Find Duplicate Value in Array
- ② Given no is odd or Even.
- ③ Given is Prime no.
- ④ Fibonacci Series.
- ⑤ Sum of digits
- ⑥ Palindrome
- ⑦ Bubble Sort
- ⑧ Reverse String
- ⑨ Swapping of 2 - numbers

-
- ⑩ Can we use Constructor inside Abstract class?
 - ⑪ Can we start Thread with Run() Method?
 - ⑫ Types of Inheritance?
 - ⑬ How can we stop finally Block from Execution?
 - ⑭ Iterate String using Stream API.
 - ⑮ Can we remove static from Main Method & will Program Executes?
 - ⑯ How to Convert List to Array & Array to List?
 - ⑰ Can we have different types of return if we Override the class?
 - ⑱ Internal working of S.B.
 - ⑲ How to reverse String without using loops & in-built Method?
 - ⑳ Stored Procedure on SQL, View in SQL.

The above are Tricky Questions in faced in Interview

Interview Questions

① Data Communication :- / Tagged

- ① What is Serialization ID?
- ② Volatile Keyword?
- ③ Synchronization?
- ④ Why String is Immutable? How to make String Immutable?
- ⑤ Diff b/w Synchronous Hashmap vs Concurrent Hashmap?
- ⑥ Example of Multiple Inheritance?
- ⑦ Internal Working of Spring Boot?
- ⑧ How to Change Port Number?
- ⑨ All annotations of Spring Boot?
- ⑩ How to Consume Micro Service?
- ⑪ What is joins in SQL?
- ⑫ How to iterate String using Stream API?

② Exide Life -

- ① Diff b/w Interface & Abstract class?
- ② What are Types of Inheritance?
- ③ Syntax for Lambda Expression?
- ④ Sorting of Elements in Array?
- ⑤ Stream API?
- ⑥ Write a Program to Reverse String without using for-loop & Inbuilt functions.
- ⑦ How to Save the Record in DB?
- ⑧ Method Overriding & Overloading.

③ Client -

- ① Why Billing is Invoicable?
- ② Diff b/w Interface & Abstract Class?
- ③ Stream API
- ④ What is Practical use of Lambda Expressions?
- ⑤ All Spring Boot Annotations?
- ⑥ Current Thread?
- ⑦ Marker Interface?
- ⑧ Program to Sort Array?
- ⑨ What is Session factory?
- ⑩ What is HQL?
- ⑪ Advantages of Hibernate

④ Agile System -

- ① All the Ops Concept are Very Important.

- 90% → Ops
- 10% → SQL → Joins, Views, Stored Proc & Constraints
- ① What are Constraints?
- ② Polymorphism?
- ③ Types of Inheritance?
- ④ Does Java Support Multiple Inheritance?
- ⑤ Diff b/w Interface & Abstract Class?
- ⑥ What are Access Specifiers?
- ⑦ What are Collections?
- ⑧ Types & Divisions of Collections?
- ⑨ Stream API
- ⑩ Each flow of Project
- ⑪ Swap 2 - numbers / Sort Array?

⑤ Connect -

- ① Spring Boot Annotations
- ② Tech flow of object (In-depth)
- ③ Microservices (In-depth)
- ④ Web Services (In-depth)

⑥ Tech Mahindra -

- ★ Reverse engineering logic
- ✗ What is Interface?
- ★ Array list vs Linked list
- ★ Internal Working of Hash Table
- ★ Annotations of Spring Boot
- ★ Method Overloading vs Overriding
- ★ Advantages of Hibernate
- ✗ Java 8 - features - One line definition
